

# welcome to hassle free bike rental

How would you like the freedom of cycling through the beautiful Charente without time restrictions and the hassle of having to collect & return your bikes to some out of the way office?

**We offer quality hire bikes delivered and collected direct to your holiday accommodation.**

All our adult bikes have light aluminium frames and Shimano™ components and all bikes are fully serviced and maintained throughout the season.

Delivery is within the Charente and Charente Maritime regions and during the peak summer season will be made either on Saturday or Sunday.

Bikes can be collected direct from our office at any time.
